

The Waukesha South Music Department 2010-11 Children's Concert Series

Music and the Arts Essential to a Child's Education!

The Music Program at Waukesha South High School hosts a concert series providing all Waukesha students with the opportunity to hear live music in an auditorium setting.

The concerts are designed to offer a unique combination of performing groups, musical genres and educational themes. By attending these events, students are exposed to a wide variety of educational topics and art forms.

Reserve seats for your class today by contacting the teacher listed for each event!

Transportation Grants

We know that at some schools it is difficult to find funding for the bus trip to South. Thanks to many generous donors, we are able to provide some assistance with the cost of transportation.

Priority is given to School District of Waukesha schools that have a high percentage of students receiving free and reduced lunch.

Stories and Songs

30 minutes prior to the three morning concerts, join us for *Stories and Songs*, a program made possible through a partnership with South and WCTC's Assistant Childcare Teacher Class.

High School students work with their instructors to select age appropriate books related to the concert theme; then in small groups throughout South High School, read to your students before they attend the concert.
