

February 13, 2010

Trip Participants,

I hope you have all had an opportunity to review your options for trip insurance whether it is with Travel Guard or another source. Trip insurance is optional and solely at the discretion of the traveler/parent. As you begin applying for insurance please use the following dates:

Departure: 4/21/2011

Return: 4/30/2011

Trip Deposit: Use current date

Final Payment: 1/17/2011

Trip Cost: \$950 (This is the amount prepaid to date including \$200 non-refundable deposit)

Travel Guard strongly advises purchasing the policy no later than two weeks after the trip deposit. Actual trip deposit date is **February 25, 2010**. (Remember, when applying, software will only accept a current date) Your final two week deadline would be **March 11, 2010**. If you miss this deadline, you will still be able to get basic coverage, but some of the coverages and options will no longer be available to you.

IMPORTANT NOTE: Departure & return dates are still not locked in. Use the above dates to apply for insurance now – when the dates are finalized – **YOU MUST CONTACT YOUR INSURER AND UPDATE THE DEPARTURE & RETURN DATES.**

This information is being sent to student/parents only. If you have friends and relatives signed up to go along, please forward this information to them as we do not have contact information for them at this time.

February 22, 2010 is the deadline for individuals that signed up to hold a spot, but to date have not paid their deposit. If you do not confirm to me via email/and submit your deposit by this date – your reservations will be forfeited.

Brochures for Travel Guard were sent home this week with students. You also have the option of going to www.bobrogerstravel.com to access Travel Guard. On the Bob Rogers site you will find a Travel Guard symbol at the bottom of the page – click on it, enter USA & Wisconsin and click continue.

While I cannot answer policy specific questions (best to contact your insurer), if you have any other concerns, contact me at redriderfx@att.net.
