Treasurers Report

Since the minutes are published on the Web, we are not including the financial details. If you are interested in the finances, please contact the treasurer directly for a copy of the Treasurers Report.

We are still waiting for a few invoices and a few payments, but the net profit for this year's Marchfest appears to very positive. The group agreed that we want to continue forward with keeping the money in the booster account and having Ms. Mazza submit expenses as they arise.

Old Business

Discussed requiring each band family to volunteer for and area for the 2017 Marchfest to avoid the shortage of volunteers we saw this year.

Several Marchfest chairs will be "graduating" next year or the following and we will need to replace them: Escorts, Ushers, Security

Waukesha South Band Boosters

NEW Business

Discussed the possibility of creating a Shutterfly site for uploading pictures from band events. The band already has a Walgreens account – not sure who uses each site to know which one would be the better fit?

Toni mentioned reaching out to John Hillmer to get the password for the Waukesha South [youtube.com](https://www.youtube.com) channel.

Discussed how to recruit more parents to the group. We suggested creating a newsletter with a recap of expenses paid by the band and the boosters over the course of the year and also including a band calendar with upcoming events (all the way through summer band camps, if the dates are available.) This could be distributed at upcoming concerts.
